

CORE 3 Tier 1.8M Storage Rack

Description

Our Core range live up to their name, by being at the Core of what every gym needs.

In any strength and conditioning gym, space is always a factor due to the vast range of equipment to choose from. Our Core 3 Tier Modular Storage Rack is the perfect solution for this issue. The Core 3 Tier Modular Storage Rack is, as the name suggests, completely modular. Choose from Kettlebell shelf, Wall Ball Shelf or DB shelf or a combination of all three. The Core 3 Tier Modular Storage Rack is also available in 2 sizes, 1.1m and 1.8. This type of adjustability makes the Core 3 Tier Modular Storage Rack best in class when it comes to adjustability and personalization.

Built Strong as only Bench Fitness can, the Core 3 Tier Modular Storage rack will take whatever you can throw at it for years to come.
