

REVOLVE Power Rack

2.3m

Description

A power rack is an essential tool in every gym, simply due to its immense variety of uses. The Bench Fitness Revolve Power Rack sets a new standard for Power Racks. Built using the strongest, most durable materials, the Revolve Power Rack offers a huge amount of adjustability.

The Revolve Power Rack uprights allow you to adjust the J-Hooks and safety straps over a wide range of heights. The Bench Fitness J-Hooks are coated in high density plastic to protect your barbell. The Bench Fitness Safety Straps are strong enough to handle whatever you drop on them all while making sure your barbells don't get damaged.

The Revolve Power Rack is fully compatible with the ever growing range of Bench Fitness Rack Accessories and comes with a standard horizontal pull up bar as well as a multi-grip pull up bar and adjustable band pegs.

Coming as standard with a Built Strong Matte black coating and black satin logo plates, our Revolve range offers you a full range of custom colours and logos available upon enquiry.
